In a world increasingly seeking sustainable solutions, nature often provides the most enduring answers. As one of the world's most eco-friendly and renewable fibres, jute embodies the principles of responsibility, resilience and renewal. "Naturally Better" reflects our belief that sustainable growth is achieved not by compromising the future, but by working in harmony with nature.

For decades, we have transformed nature's golden fibre into products that serve evolving global needs while supporting livelihoods, conserving resources and reducing environmental impact. From farms to finished products, every stage of our value chain is guided by a commitment to responsible practices, innovation and long-term value creation.

“Naturally Better” is more than a reflection of the inherent qualities of jute; it represents our approach to business. It signifies better choices for the environment, better opportunities for farming communities, better solutions for customers and better outcomes for all stakeholders. By combining traditional strengths with modern technologies and market-driven innovation, we continue to unlock new possibilities for natural fibres in a rapidly changing world.

Throughout the year, we strengthened our focus on operational excellence, product innovation, resource efficiency and sustainable development. These efforts have enabled us to enhance competitiveness while remaining true to our environmental and social responsibilities.

As we look ahead, we remain committed to creating lasting value through solutions that are not only economically viable but also environmentally responsible. Rooted in nature and driven by purpose, we continue our journey towards a future that is, in every sense, Naturally Better.

Harnessing the strength of nature's most sustainable fibre,
the Company creates eco-friendly jute solutions for a greener future.
It combines innovation, craftsmanship and responsible manufacturing
to meet evolving global demands.

OUR MISSION

To produce jute products adhering to international standards with highly specialised infrastructure and environmentally responsible practices. Cheviot strives to provide sustainable alternatives through processing of the eco-friendly and highly versatile golden fiber - Jute.

2. DIVIDEND

The Board of Directors have recommended a final dividend of ₹ 25/- per ordinary share on 58,41,875 ordinary shares of face value of ₹ 10/- each (250%), amounting to ₹ 1,460.47 for the year ended 31st March, 2026 (P.Y. ₹ 5/- per ordinary shares on 58,41,875 ordinary shares of face value of ₹ 10/- each (50%), amounting to ₹ 292.09) payable to those members whose name shall appear in the Register of Members or Register of Beneficial Owners maintained by the depositories, as on the Record Date i.e. Thursday, 30th July, 2026, subject to approval of the members at the ensuing annual general meeting of the Company. The resolution to declare dividend is set out at agenda item No. 2 of the notice convening the 128th annual general meeting.

3. TRANSFER TO RESERVE

Your directors do not propose to transfer any amount to the reserves out of the profits for the financial year ended 31st March, 2026.

4. NATURE OF BUSINESS AND STATE OF COMPANY'S AFFAIRS

The Company is engaged in manufacturing and sale of Jute products. There has been no change in the nature of business of the Company during the year under review. Revenue from operations, profitability and earnings per share show under noted position during the year under review compared to previous year:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Revenue from operations	54,740.51	43,942.61
Export sales (C.I.F. value)	14,852.52	18,961.06
Operating profit	6,703.75	4,608.43
Other income	242.74	2,901.94
Profit before tax	6,946.49	7,510.37
Tax expense	1,777.34	1,736.18
Profit for the year	5,169.15	5,774.19
Earnings per share (EPS) of face value of ₹ 10/- (In ₹)	88.48	98.08

An insufficient raw jute crop during the year under review created a difficult situation for the jute industry throughout the jute season. Prices started rising from the beginning of the season. The Jute Commissioner imposed raw jute stock limits on the jute industry throughout the season to ensure equitable distribution within the Jute Industry and to prevent hoarding by mills and traders. Industry witnessed unprecedented levels of raw jute prices, which were well above the statutory minimum rates.

BOARD'S REPORT (Contd..)

Such increases in raw jute prices could not be absorbed by export customers, who were already affected by high freight scenario and tariff-related concerns in the global economy. As a result, exports became uneconomical, leading to a sharp decline in exports across the jute industry as well as in Cheviot.

Domestic consumers in various sectors also started curtailing procurement of the jute products due to the high prices arising from the aforesaid difficult raw jute scenario.

During the year under review, the Company operated well below its installed capacity due to economic conditions and the raw jute supply scenario. The overall production during the year under review as compared to previous year remained largely similar. The growth in sales, witnessed during the year, was attributable to higher value realisation driven by higher raw jute prices with no material change in sales volumes.

Support from foodgrain-related purchases by the Government of India under the JPMA scheme proved to be the silver lining, where realisation at decent prices and demand continued steadily.

Other income largely comprises of gains on investments, mainly from treasury operations and investments in stocks. However, the effect of the West Asia crisis and the resultant global market meltdown adversely affected the Company's earnings in this regard. Accordingly, there has been a sharp decline in other income.

5. MANAGEMENT DISCUSSION AND ANALYSIS

a) Industry structure and developments

The Jute Industry faced a major drop in demand in both local and export markets due to raw jute crisis, which made jute products uneconomical for consumers.

The West Asia war and tariff-related issues further adversely impacted the export demand.

Demand for diversified and value-added jute products was also affected, due to higher product prices on account of shortage and high cost of raw jute.

Several jute mills are currently closed due to the non-availability of raw jute or uneconomic operating conditions. At this time of the season, there is an acute physical shortage of raw jute and more mills are likely to suspend operations if the situation persists.

b) Opportunities and threats

Opportunities

- The West Asia conflict has led to elevated oil prices, which is expected to increase the cost of plastic packaging materials due to shortage of raw material. This may improve the competitive position of jute-based packaging products.
- Sustainability and environmental concerns are expected to continue driving preference towards eco-friendly and biodegradable jute packaging solutions, which is expected to support the long-term prospects of the jute industry.
- The high raw jute prices during the last jute season are likely to encourage farmers to increase jute acreage in the current season. This is expected to improve raw jute availability and create a more positive environment for the jute industry.

Threats

- Both domestic and export markets may shift towards alternative packaging materials due to the high jute product prices and supply uncertainties.
- The jute industry is highly labour-intensive with wages constituting a significant portion of total production costs. The recent trend of steep revision in minimum wages in certain States indicate rising wage levels in coming days, which could affect the overall pricing competitiveness and marketability of jute products.
- The industry is also facing a shortage of workers, as labourers from neighbouring states are increasingly finding job opportunities closer to their home regions, resulting in reduced workforce availability for jute mills.

BOARD'S REPORT (Contd..)

(₹ in Lakhs)

c) Segment-wise or product-wise performance

The Company is engaged in a single business segment i.e. manufacturing and sale of jute goods. Hence, disclosure requirement as required by IND AS - 108 are not applicable in respect of business segment.

However, the geographical segments considered for disclosure are as under:

Particulars	For the year ended 31st March, 2026			For the year ended 31st March, 2025		
	Within India	Outside India	Total	Within India	Outside India	Total
Revenue *	39,616.71	14,852.52	54,469.23	24,566.59	18,961.06	43,527.65
Non-current assets other than financial instruments **	23,670.76	-	23,670.76	23,452.69	-	23,452.69

* Revenue outside India includes sale to USA ₹ 5,860.99 (P.Y. ₹ 6,658.06).

** Non-current assets other than financial instruments include property, plant and equipment, capital work-in-progress, right of use assets, other intangible assets, non-current tax assets (net) and other non-current assets.

d) Outlook

The Company's performance during the current year will depend largely to the extent of availability of the raw jute crop. Albeit, we expect a much better crop compared to the previous season. However, the year is likely to remain challenging, particularly during the months of July and August, when uncertainty regarding raw jute availability may persist. Other income remains uncertain, as it may be influenced by the outcome of West Asia conflict. However, we believe that the overall outlook for the current year would be stable.

e) Risks and concerns

The significant areas of risk and concern for the Jute Industry are:

- The cost of jute products needs to be controlled in order to retain the markets. This is a challenge in view of the high raw jute and wage costs.
- There is presently no significant modernisation under process. Modernisation is essential for improving efficiency and to remain economical in an increasingly competitive market environment.
- The increased global focus on ethanol production caused by the West Asia conflict can significantly raise maize prices which in turn could encourage farmers to shift away from raw jute cultivation to maize cultivation.

f) Internal control systems and their adequacy

The Board of Directors has established and implemented various policies and procedures to strengthen the internal control framework and ensure the orderly and efficient conduct of business operations. These controls facilitate the accurate and timely generation of reliable financial and operational information, safeguard assets against unauthorised use or loss, support the prevention and detection of frauds and errors, maintain the accuracy and completeness of accounting records and ensure compliance with applicable laws, regulations and corporate policies.

The Company maintains an adequate and robust internal control system commensurate with the size and complexity of its operations. The Audit Committee periodically reviews and evaluates the effectiveness of the internal control framework. During the year under review, no incidence of fraud was reported by the auditors. Internal audit observations and recommendations were placed before the Audit Committee and appropriate measures were taken promptly.

The Company has, in all material respects, an adequate internal financial controls system over financial reporting and such controls were operating effectively as at 31st March 2026, based on the criteria for internal financial controls established by the Company with reference to the financial statements.

g) Material developments in human resources/industrial relations front, including number of people employed

Industrial relations remained cordial throughout the year under review. The Company continues to face a shortage of new entrants in the jute industry, however, necessary measures are being undertaken to address the manpower shortage. Wages are being paid in accordance with the prevailing Tripartite Agreement.

The Company continues to focus on employee development through regular in-house training programmes aimed at enhancing the working knowledge, technical competence and overall skill sets of employees. Various employee welfare schemes were available to promote employee well-being and maintain a positive work environment.

As on 31st March 2026, the Company had 3,838 employees on rolls.

BOARD'S REPORT (Contd..)

(₹ in Lakhs)

h) Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations thereof

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	% Change
Interest coverage ratio (in times)	242.50	325.10	25.41%
Net profit margin (in percentage)	9.44	13.14	28.16%

Decrease in other income impacted the interest coverage ratio and net profit margin to decline compared to previous year. There was no significant change in other key financial ratios. Please refer to Note 54 to the financial statements for the financial year ended 31st March, 2026 for more details on Financial Ratios.

i) Details of any change in Return on Net Worth as compared to the immediately previous financial year along with a detailed explanation thereof

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025
Return on Net Worth	9.34%	11.64%

The decrease in other income compared to previous year has impacted the Return on Net Worth.

j) Discussion on financial performance with respect to operational performance

The following are the significant areas of financial performance:

Particulars	For the year ended 31st March, 2026	For the year ended 31st March, 2025	% Increase (Decrease)
Revenue from operations	54,740.51	43,942.61	24.57%
C.I.F. value of export sales	14,852.52	18,961.06	(21.67)%
Finance cost	50.08	33.45	49.72%
Inventories	13,084.19	12,295.80	6.41%
Purchase of property, plant and equipment and other intangible assets (including changes in capital work-in-progress, capital advances/creditors)	1,081.89	1,720.28	(37.11)%

Improvement in domestic demand witnessed during the year under review, both in terms of quantity and realisation, contributed to the overall revenue from operations. However, overseas sales were significantly affected by increase in prices of finished products due to steep increases in raw jute prices, freight rates and tariff related issues in global economy during the year. Higher utilisation of borrowing limits and interest on taxes led to an escalation in finance costs.

The capital expenditure was incurred towards installation of a rooftop Solar Power Plant with a capacity of 2,274.48 kWp which contributes to approximately 12-15 percent of the power requirement. Machineries required for strengthening the manufacturing efficiency were also purchased.

Other financial and operational parameters remained stable during the year under review.

k) Cautionary statement

Certain statements contained in this Report may constitute forward-looking statements based on management's current expectations, assumptions, estimates and projections regarding future events and business performance.

Actual results may differ from those expressed or implied in such statements due to various risks, uncertainties and other factors beyond the management control, like changes in economic conditions, government policies, market dynamics and other incidental factors.

ANNEXURE I TO THE BOARD'S REPORT

CERTIFICATE ON CORPORATE GOVERNANCE

[Pursuant to Regulation 34(3) and Para E of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,
The Members of **Cheviot Company Limited**
CIN: L65993WB1897PLC001409
Celica House 9th Floor Celica Park,
24 Park Street, Kolkata, West Bengal, India, 700016

I have been approached by **CHEVIOT CO LTD** (hereinafter referred to as the "**Company**"), to examine the compliance with the conditions of Corporate Governance by the Company, as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "**Listing Regulations**") for the financial year from 1st April, 2025 to 31st March, 2026, to be reported in the section on Corporate Governance of the Annual Report.

Management's Responsibility

The management is responsible to design adequate systems, implement, develop internal controls and processes to monitor and ensure compliance of conditions of Corporate Governance stipulated in the Listing Regulations and also for preparation and presentation of the Corporate Governance Report and maintenance of all relevant supporting records and documents thereto.

Auditor's Responsibility

My examination is limited to review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with the conditions of Corporate Governance and provide a reasonable assurance in the form of an opinion whether the Company has complied with the conditions of Corporate Governance as specified in the Listing Regulations.

It is neither an audit nor an expression of opinion on the financial statements of the Company.

Methodology

In order to conduct my examination, I relied on the relevant documents and information including explanations, wherever required provided by the management. I conducted the examination in a manner which provided me a reasonable basis for evaluating the systems, internal controls and processes adopted by the Company to monitor and ensure compliance with the conditions of Corporate Governance and to certify thereon.

Opinion

Based on the examination of relevant records and according to the information and explanations provided to me, in my opinion and to the best of my information, I certify that the Company has complied with the conditions of Corporate Governance (to the extent applicable) for the financial year ended 31st March, 2026 and reported in the section on Corporate Governance of the Annual Report.

Disclaimer

This certificate is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
CHEVIOT COMPANY LIMITED
"Celica House", 9th Floor
24 Park Street, Celica Park
Kolkata 700016

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. CHEVIOT COMPANY LTD** (hereinafter called "**the Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2026 ("the audit period") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026, according to the provisions of:

- i) The Companies Act, 2013 (the Act), amendments thereof and the rules made thereunder;
- ii) The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder;
- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings- Not applicable as no such events occurred during the period under review as per the information provided by the management;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992: -
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Act and dealing with client;
 - (d) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
 - (e) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable regulations/guidelines/circulars as may be issued by SEBI from time to time.

We further report that, during the year under review, there were no actions/events in pursuance of:

- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (b) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- (c) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018;
- (d) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021.

ANNEXURE V TO THE BOARD'S REPORT

vi) The Company had identified following laws as specifically applicable to the Company, other than general laws, namely:

- (a) The Essential Commodities Act, 1955;
- (b) The Special Economic Zones Act, 2005 and the rules made thereunder;
- (c) The Jute Packaging Materials (Compulsory Use in Packing Commodities) Act, 1987;
- (d) The Jute Manufactures Cess Act, 1983 / National Jute Board Act, 2008;
- (e) Bureau of Indian Standards (BIS) Act, 2016.

We further report that having regard to the compliance system prevailing in the Company, we have relied upon the representation made by the Management, for compliance with the other applicable laws as stated above.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards as issued and mandated by the Institute of Company Secretaries of India;
- (ii) The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended and applicable.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc., as mentioned above wherever applicable.

We further report that,

The Board of Directors of the Company is duly constituted with proper balance of executive directors, non-executive directors and independent directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

There had been no instance of dissent recorded in the minutes of the Board and Committee Meetings; accordingly, we have no reason to believe that the decisions were not unanimously approved by the Directors present. The minutes of such meetings were duly approved by the Chairperson of the respective meetings.

We further report that the Company has in place adequate systems and processes, commensurate with its size and operations, to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. However, the Company may further strengthen its internal review and disclosure control mechanisms to enhance overall compliance effectiveness.

Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements for the year ended March 31, 2026. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below as Key audit matters and for each matter, our description of how our audit addressed the matter is provided in that context.

The key audit matter	How our audit addressed the key audit matter
A. Valuation of Inventories Refer to Note 12 to the financial statements. As described in the accounting policies in note 3.1 to the financial statements, inventories are carried at the lower of cost and net realisable value. As a result, the management applies judgement in determining the appropriate provisions for obsolete stock based upon a detailed analysis of slow and non-moving inventories, net realisable value below cost based upon future plans for sale of inventory. We determined this to be a matter of significance to our audit due to quantum of the amount and estimation involved.	Obtained assurance over the appropriateness of the management's assumptions applied in calculating the value of the inventories and related provisions by: - 1. Completing a walkthrough of the inventory valuation process and assessed the design and implementation of the key controls addressing the risk. 2. Verifying the effectiveness of key inventory controls operating over inventories; including sample based physical verification. 3. Verifying for a sample of individual products that costs have been correctly recorded. 4. Comparing the net realisable value to the cost price of inventories to check for completeness of the associated provision. 5. Reviewing the historical accuracy of inventory provisioning and the level of inventory write-offs during the year. 6. Recomputing provisions recorded to verify that they are in line with the Company policy.

B.Valuation and existence of Non-Current and Current Investments Refer Notes 8 and 13 to the financial statements. The Company holds Non-Current and Current Investments amounting to ₹ 32,621.86 lakhs and ₹ 2,736.44 lakhs respectively which represents 45.90% of total assets as at March 31, 2026. The Investments comprise of mutual funds, debenture, bonds, preference shares, equity shares, real estate investment trust and Alternative Investment Fund and are majorly actively traded with readily available quoted market prices/net assets value. The investments being financial instruments needs to be appropriately designated at fair value through profit or loss, fair value through other comprehensive income (not to be recycled) or at amortised cost. Further, these financial instruments needs to be valued and classified as Level 1, 2 or 3 financial instruments as per the fair value hierarchy. This was an area of focus for our audit and the area where significant audit effort was directed. We have determined this to be a key audit matter because of significant quantum of valuation involved.	Our audit procedures included: 1. Understood, assessed and tested the design and operating effectiveness of key controls surrounding fair valuation of investments. 2. Obtained demat account holding statement/ confirmations, Mutual fund and Alternative Investment Fund statements to verify the existence and ownership of the Company's Investment portfolio. 3. Verified on sample basis the fair valuation of all Investments held as at March 31, 2026 to the Net Assets Value provided by the respective Mutual funds and Alternative Investment Funds, market value of quoted equity shares, debenture, bonds, real estate investment trust, and mutual fund from source data, valuation report by registered valuer in case of unquoted equity shares and tested the arithmetical accuracy of the calculation of valuation of investments. 4. Assessed the adequacy of the Company's disclosures.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion & Analysis, Board's Report and Corporate Governance Report, including Annexures, but does not include the financial statements and our auditor's reports thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITORS' REPORT (Contd..)

In preparing the financial statements, management and Board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

INDEPENDENT AUDITORS' REPORT (Contd..)

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in the annexure referred to in the paragraph above, as required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on April 4, 2026, April 6, 2026, April 9, 2026, April 10, 2026 and April 16, 2026 and taken on record by the Board of directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to the financial statements.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanation given to us, the managerial remuneration for the year ended March 31, 2026 has been paid/provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.
 - h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2026 on its financial position in its financial statements - Refer Note 42.1 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund ("IEPF") by the Company;

INDEPENDENT AUDITORS' REPORT (Contd..)

- iv. (a) The management has represented to us that, to the best of its knowledge and belief, as disclosed in Note 55(v) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented to us that, to the best of its knowledge and belief, as disclosed in Note 55(vi) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on our audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under paragraph 2(h)(iv)(a) & (b) above, contain any material mis-statement.
- v. The dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.

As stated in Note 44 to the Financial Statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.

- vi. According to the information and explanations given to us and based on our examination which included appropriate test checks, we report that the Company has used accounting software for maintaining its books of account which has the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, we did not come across any instance of tampering of the audit trail feature during the course of our audit. Furthermore, the audit trail has been preserved by the Company as per the statutory requirements for record retention in respect of accounting software used for maintaining its books of account.

INDEPENDENT AUDITORS' REPORT (Contd..)

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting with reference to these financial statements of **CHEVIOT COMPANY LIMITED** ("the Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statement included obtaining an understanding of internal financial controls with reference to financial statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting with reference to these financial statements.

Meaning of Internal Financial Controls over financial reporting with reference to the financial statements

A company's internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INDEPENDENT AUDITORS' REPORT (Contd..)

Limitations of Internal Financial Controls over financial reporting with reference to the financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statement to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls over financial reporting with reference to these financial statements and such internal financial controls over financial reporting with reference to these financial statements were operating effectively as at March 31, 2026, based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended 31st March, 2026

1. CORPORATE AND GENERAL INFORMATION

Cheviot Company Limited (the “Company”) is a Public Limited Company incorporated in India. The Company has its registered office at 24, Park Street, Celica House, 9th Floor, Celica Park, Kolkata-700016. The Company is listed on the BSE Limited (BSE) and the National Stock Exchange of India Limited (NSE).

The Company manufactures jute products with flexibility to cater to both domestic and international market. The Company is renowned for manufacturing superior quality Hessian fabrics for export market at the Export Oriented Unit situated at Falta Special Economic Zone in the state of West Bengal, India.

2. BASIS OF ACCOUNTING

2.1. Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (“Ind AS”) as prescribed by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (“the Act”), read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other relevant provisions of the Act and other accounting principles generally accepted in India.

Accounting Policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing accounting standard required a change in the accounting policy hitherto in use.

The Board of Directors have approved the financial statements for the year ended 31st March, 2026 and authorised for issue on 21st May, 2026. These financial statements shall be placed before the ensuing annual general meeting of the Company for the approval of the shareholders.

2.2. Basis of Preparation

The financial statements have been prepared on a historical cost basis except certain items that are measured at fair value as explained in accounting policies and Freehold land which have been measured on revaluation model.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116 – Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories.

2.3. Functional and Presentation Currency

The financial statements have been presented in Indian Rupees (₹), which is also the Company’s functional currency. All financial information presented in (₹) has been rounded off to the nearest lakhs as per the requirements of Schedule III, unless otherwise stated.

2.4. Use of Estimates and Judgements

The preparation of financial statements require judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities including contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognised in the period prospectively in which the results are known/ materialised.

Notes to the Financial Statements for the year ended 31st March, 2026

2.5. Current Vs Non-Current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities respectively.

2.6. Recent Accounting Pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to existing standards under the Companies (Indian Accounting Standards) Rules from time to time. During the year, MCA has notified amendments to Ind AS 1 – Presentation of Financial Statements (classification of liabilities as current or non current, including liabilities with covenants), Ind AS 12 – Income Taxes (International Tax Reform – Pillar Two Model Rules), Ind AS 21 – The Effects of Changes in Foreign Exchange Rates (Lack of Exchangeability), and Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (Supplier Finance Arrangements), effective from April 1, 2025. The Company has assessed that there is no significant impact on its financial statements with respect to the amendments in these Ind AS.

3. MATERIAL ACCOUNTING POLICIES

A summary of the material accounting policies applied in the preparation of the financial statements are given below. These accounting policies have been applied consistently to all the periods presented in the financial statements except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3.1. Inventories

- Raw materials, stores and spares and loose tools are valued at lower of cost and net realisable value. However, items held for use in the production of inventories are not written down below cost, if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes cost of purchase, non-refundable taxes and other costs incurred in bringing the inventories to their present location and condition. Cost is computed on weighted average basis.
- Work-in-progress and finished goods are valued at lower of cost and net realisable value. Finished goods and work-in-progress include cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is computed on weighted average basis.

Notes to the Financial Statements for the year ended 31st March, 2026

- Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and estimated cost necessary to make the sale. Net realisable value of work-in-progress is determined with reference to the selling prices of related finished goods.
- Adequate provision is made for obsolete and slow-moving stocks, wherever necessary.

3.2. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand, cheques in hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

3.3. Income Tax

Income tax expense comprises current tax and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

a) Current Tax

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities based on tax rates and tax laws that have been enacted during the period.

b) Deferred Tax

- Deferred tax assets and liabilities shall be measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.
- Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognised for carry forward of unused tax losses and unused tax credits.
- Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.
- The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilised. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- Deferred tax relating to items recognised outside the statement of profit and loss is recognised either in other comprehensive income or in equity. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

3.4. Property, Plant and Equipment

a) Recognition and Measurement:

- Property, plant and equipment, except freehold land, held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation/amortisation and accumulated impairment losses (if any).
- Freehold land has been stated at revalued amount. The difference between carrying amount of such land and fair value less any impairment loss is shown as revaluation surplus net of deferred tax under the head other equity. The changes in fair value of land is recognised in other comprehensive income net of deferred tax and accumulated in other equity under the head revaluation surplus. The revaluation surplus shall be transferred to retained earnings when the asset is derecognised.

Notes to the Financial Statements for the year ended 31st March, 2026

- Cost of an item of property, plant and equipment acquired comprises its purchase price, including non-refundable import duties and taxes, after deducting any trade discounts and rebates, borrowing cost, if capitalisation criteria is met and any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.
- In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.
- If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.
- Profit or loss arising on the disposal of property, plant and equipment are recognised in the statement of profit and loss.

b) Subsequent Expenditure

- Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced.
- Major inspection/ repairs/ overhauling expenses are recognised in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any unamortised part of the previously recognised expenses of similar nature is derecognised.

c) Depreciation and Amortisation

- Depreciation on property, plant and equipment is provided on straight line method at the rates determined based on the useful lives of respective assets as prescribed in the Schedule II of the Act.
- Each part of items of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. Certain components of property, plant and equipment as identified by the Company have been depreciated at their respective useful lives ranging between 4 and 10 years.
- Depreciation on additions (disposals) during the year is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).
- Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted, if appropriate.

d) Disposal of Assets

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

Notes to the Financial Statements for the year ended 31st March, 2026

e) Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production. Advances given towards acquisition or construction of property, plant and equipment outstanding at each reporting date are disclosed as Capital advances under "Other Non-Current Assets".

3.5. Leases

Assets taken on lease :

The Company mainly has lease arrangements for land and building.

The Company assesses whether a contract is or contains a lease, at inception of a contract in accordance with Ind AS 116. The assessment involves the exercise of judgement about whether (i) the contract involves the use of an identified asset, (ii) the Company has substantially all the economic benefits from the use of the asset through the period of the lease, and (iii) the Company has the right to direct the use of the asset.

The Company recognises a right-of-use asset ("ROU") and a corresponding lease liability at the lease commencement date. The ROU asset is initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The ROU asset is depreciated using the straight line method from the commencement date to the earlier of, the end of the useful life of the ROU asset or the end of the lease term or useful life of the underlying asset if the Company expects to exercise a purchase option in the lease. The estimated useful lives of ROU assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, generally discounted using an incremental borrowing rate specific to the Company, term and currency of the contract.

Lease payments included in the measurement of the lease liability include fixed payments, variable lease payments that depend on an index or a rate known at the commencement date; and extension option payments or purchase options payment which the Company is reasonably certain to exercise.

Variable lease payments that do not depend on an index or rate are recognised as an expense in the period in which the event or condition that triggers those payments occurs and are included in the line "other expenses" in the Statement of Profit or Loss.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made and remeasured (with a corresponding adjustment to the related ROU asset) when there is a change in future lease payments in case of renegotiation, changes of an index or rate or in case of reassessment of options.

Short-term leases and leases of low-value assets

The Company has elected not to recognise ROU assets and lease liabilities for short term leases as well as low value assets and recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Notes to the Financial Statements for the year ended 31st March, 2026

3.6. Revenue Recognition

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specific of each arrangement.

a) Sale of Goods

Revenue from sale of goods is recognised when control of the products being sold is transferred to the customer and when there are no longer any unfulfilled obligations. The Performance Obligations in sales contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms with customers.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognised only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

Transaction price is the amount of consideration in the contract to which the Company expects to be entitled in exchange for transferring the promised goods or services.

The Company does not expect to have any contracts where the period between transfer of promised goods or services to the customer and payment by customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

b) Benefits under Duty Drawback Scheme/Other Export Benefits

Revenue in respect of above benefits is recognised on post export basis and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

c) Insurance claims

Insurance claims are accounted for on the basis of acceptance of claims and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

d) Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

e) Dividend income

Dividends are recognised at the time the right to receive payment is established.

3.7. Employee Benefits

a) Short Term Employee Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period.

Notes to the Financial Statements for the year ended 31st March, 2026

b) Other Long Term Employee Benefits

The liabilities for earned leaves that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the rate of government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation. Remeasurements as the result of experience adjustment and changes in actuarial assumptions are recognised in the statement of profit and loss.

c) Post-Employment Benefits

The Company operates the following post-employment schemes:

- **Defined Benefit Plans**

The liability or asset recognised in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognised for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognised actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the rate of government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurements of the net defined benefit obligation which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling are recognised in other comprehensive income. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

- **Defined Contribution Plan**

Defined contributions to Provident Fund, Pension Scheme and Employees' State Insurance Scheme are defined contribution schemes and are charged to the statement of profit and loss of the year.

d) Termination Benefit

Expenditure incurred on Voluntary Retirement Scheme is charged to the statement of profit and loss immediately.

3.8. Foreign Currency Transactions

- Foreign currency transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.
- Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognised in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the statement of profit and loss within finance costs.
- Non-monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

Notes to the Financial Statements for the year ended 31st March, 2026

3.9. Borrowing Cost

- Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes exchange difference to the extent regarded as an adjustment to the borrowing costs.
- Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalised as a part of the cost of that asset that necessarily takes a substantial period of time to complete and prepare the asset for its intended use or sale. The Company considers a period of twelve months or more as a substantial period of time.
- Transaction costs in respect of long term borrowing are amortised over the tenure of respective loans using Effective Interest Rate (EIR) method. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

3.10. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

- **Initial Recognition and Measurement:**

All financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However trade receivables that do not contain a significant financing component are measured at transaction price.

- **Classification and Subsequent Measurement:**

For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at amortised cost;
- Measured at fair value through other comprehensive income (FVTOCI);
- Measured at fair value through profit or loss (FVTPL); and
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- Measured at amortised cost:

A financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- Measured at FVTOCI:

A financial asset is measured at the FVTOCI if both the following conditions are met:

- The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
- The asset's contractual cash flows represent SPPI.

Notes to the Financial Statements for the year ended 31st March, 2026

Financial assets meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognised in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognised in the statement of profit and loss in interest income. Where the asset is disposed of, the cumulative gain or loss previously accumulated in other comprehensive income reserve is transferred in the statement of profit and loss.

➤ Measured at FVTPL:

FVTPL is a residual category for financial assets. Any financial assets, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as FVTPL. In addition, the Company may elect to designate a financial asset, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. Financial asset included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

Interest/dividend income on financial instruments measured at FVTPL are presented separately under other income.

➤ Equity instruments measured at FVTOCI:

All equity investments in scope of Ind AS – 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no reclassification of the amounts from OCI to the statement of profit and loss, even on sale of investment.

- **Derecognition**

The Company derecognises a financial asset on trade date only when the contractual rights to the cash flows from the asset expire or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

- **Impairment of Financial Assets**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

b) Financial Liabilities

- **Initial Recognition and Measurement:**

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, as loans and borrowings, as payables or as derivatives, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

- **Subsequent Measurement:**

Financial liabilities are measured subsequently at amortised cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Notes to the Financial Statements for the year ended 31st March, 2026

- **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

- **Offsetting Financial Instruments**

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

- c) **Derivative Financial Instruments:**

The Company enters into derivative financial instruments viz. foreign exchange forward contracts, interest rate swaps and cross currency swaps to manage its exposure to interest rate and foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of profit and loss immediately.

3.11. Impairment of Non-Financial Assets

- The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (Cash Generating Units – CGU).
- An impairment loss is recognised as an expense in the statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognised in earlier accounting period is reversed if there has been an improvement in recoverable amount.

3.12. Provisions, Contingent Liabilities and Contingent Assets

- a) **Provisions**

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

- b) **Contingent Liabilities**

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognised because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in other notes to financial statements.

- c) **Contingent Assets**

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent assets are not recognised though are disclosed, where an inflow of economic benefits is probable.

Notes to the Financial Statements for the year ended 31st March, 2026

3.13. Intangible Assets

a) Recognition and Measurement

Intangible assets comprise of computer software, expected to provide future enduring economic benefits are stated at cost less accumulated amortisation and impairment, if any. Cost comprises purchase price, non-refundable taxes, duties, and incidental expenses after deducting trade discounts and rebates related to the acquisition and installation of the assets.

b) Subsequent Expenditure

Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. All other expenditure is recognised in the statement of profit and loss.

c) Amortisation

- Intangible assets are amortised over a period of five years under straight line method.
- The amortisation period and the amortisation method are reviewed at least at the end of each financial year. If the expected useful life of the assets is significantly different from previous estimates, the amortisation period is changed accordingly.

d) Intangible Assets under Development

Intangible assets under development is stated at cost which includes expenses incurred in connection with development of Intangible assets in so far as such expenses relate to the period prior to getting the assets ready for use.

3.14. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to ordinary shareholders by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding during the period are adjusted for the effects of all dilutive potential ordinary shares.

3.15. Cash Dividend Distribution to Equity Holders

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

3.16. Measurement of Fair Values

A number of the accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

Notes to the Financial Statements for the year ended 31st March, 2026

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted prices (unadjusted) in active market for identical assets or liabilities. The mutual fund / alternative investment fund are valued using the quoted price/closing net asset value (NAV).
- Level 2 — Inputs other than quoted price / NAV included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3 — Inputs which are unobservable inputs for the asset or liability.

External valuers are involved for valuation of significant assets and liabilities. Involvement of external valuers is decided by the management of the Company considering the requirements of Ind AS and Companies Act, 2013 and selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

4. SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION IN APPLYING ACCOUNTING POLICIES

Information about significant judgements and key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

a) Recognition of Deferred Tax Assets:

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

b) Useful Lives of Depreciable/ Amortisable Assets (Property, Plant and Equipment and Intangible Assets):

Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.

c) Extension and Termination Option in Leases:

Extension and termination options are included in many of the leases. In determining the lease term the management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option.

This assessment is reviewed if a significant event or a significant change in circumstances occurs which affects this assessment and that is within the control of the Company.

Notes to the Financial Statements for the year ended 31st March, 2026

d) Defined Benefit Obligation (DBO):

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.

e) Provisions and Contingencies:

The assessments undertaken in recognising provisions and contingencies have been made in accordance with Ind AS – 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.

f) Impairment of Financial Assets:

The Company reviews its carrying value of investments carried at amortised cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

g) Fair Value Measurement of Financial Instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow model. The input to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

Nature and purpose of other equity

Capital reserve

Capital reserve represents capital profits appropriated as per erstwhile Companies Act, 1956 arising on sale of fixed assets during the year ended 30th November, 1985 and 31st March, 1992. This reserve can be utilised in accordance with the provisions of the Companies Act, 2013.

General reserve

General Reserve represents the reserve created through annual transfer of net profit at a specified percentage in accordance with the provisions of the erstwhile Companies Act, 1956. Consequent to the introduction of the Companies Act, 2013, the requirement to mandatory transfer a specified percentage of net profit to general reserve has been withdrawn, though the Company may voluntarily transfer such percentage of its profits for the financial year, as it may consider appropriate. This reserve can be utilised in accordance with the provisions of the Companies Act, 2013.

Capital redemption reserve

Capital redemption reserve represents the reserve created in earlier years on account of redemption/Buy-back of cumulative preference share capital and ordinary share capital under the provisions of the Companies Act, 1956/2013. This reserve can be utilised in accordance with the provisions of the Companies Act, 2013.

Retained earnings

Retained earnings represents the cumulative profits of the Company after appropriation. Retained earnings can be utilised in accordance with the provisions of the Companies Act, 2013.

Other comprehensive income reserve

Equity instruments through other comprehensive income

This represents the cumulative gains and losses, net of tax, arising on the fair valuation of equity instruments measured at fair value through other comprehensive income. The Company transfers amounts from this reserve to retained earnings when the relevant equity instruments are derecognised.

Revaluation surplus

Revaluation surplus represents the gain/(loss), net of deferred tax, on revaluation of freehold land. The same is not available for distribution to the shareholders.

Remeasurements of the defined benefit plans

Remeasurements of the defined benefit plans comprises actuarial gains and losses and remeasurements of return on plan asset (excluding interest income) which are recognised in other comprehensive income and then immediately transferred to retained earnings.

45 DISCLOSURE PURSUANT TO INDIAN ACCOUNTING STANDARD - 19 'EMPLOYEE BENEFITS' :-

45.1 Defined Contribution Plans:

The Company has during the year recognised an expense of ₹ 613.06 (F.Y. 2024-25 ₹ 644.12) towards defined contribution plans. Out of the total contribution, made for employees' provident fund, a sum of ₹ NIL (F.Y. 2024-25 ₹ 91.23) has been made to Cheviot Company Limited Employees' Provident Fund while the remaining contribution has been made to the provident fund plan operated by the Regional Provident Fund Commissioner. During the previous year, the Company had voluntarily surrendered its exemption granted by the Central Provident Fund Commissioner under Section 17(1)(a) of The Employees' Provident Funds and Miscellaneous Provisions Act, 1952 w.r.t. Cheviot Company Limited Employees' Provident Fund and started complying as an un-exempted establishment with effect from 1st January 2025.

45.2 Defined Benefit Plans:

Gratuity Plan

This is a funded defined benefit plans for qualifying employees. The Company makes contributions to the Cheviot Company Limited Employees' Gratuity Trust Fund. Gratuity is payable to all eligible employees of the Company on superannuation, death, permanent disablement and on resignation/termination of employment in terms of the provisions of Chapter V of the Code on Social Security, 2020 read with rules thereunder or as per the Company's rule, whichever is more beneficial to the employee.

a) Risk Exposure

Defined benefit plans expose the Company to actuarial risks such as: Interest rate risk, Salary risk and Demographic risk.

- Interest rate risk:** The defined benefit obligation calculated uses a discount rate based on government bonds. If the bond yield falls, the defined benefit obligation will tend to increase.
- Salary risk:** Higher than expected increase in salary will increase the defined benefit obligation.
- Demographic risk:** This is the risk of variability of results due to unsystematic nature of decrements that includes mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefits obligations is not straight forward and depends on the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis, the retirement benefit of the short service employee typically costs less per year as compared to a long service employee.

51 CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the ordinary shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximise shareholder value.

As at 31st March, 2026 and 31st March, 2025, the Company has only one class of ordinary shares and has low debt. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

52 DISCLOSURE ON FINANCIAL INSTRUMENTS

This section gives an overview of the significance of financial instruments for the Company and provides additional information on balance sheet items that contain financial instruments.

The details of material accounting policies including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised in respect of each class of financial assets, financial liabilities and derivative financial instruments are disclosed in Note 3.10 to the financial statements.

(₹ in Lakhs)

The fair value of investments measured at amortised cost is as under:

Particulars	As at 31st March 2026		As at 31st March 2025	
	Amortised cost	Fair value	Amortised cost	Fair value
Preference shares *	-	-	-	-
Debentures or bonds	449.45	466.32	449.45	479.14

* Investment in preference shares is net of impairment.

The management has assessed that the fair values of cash and cash equivalents, trade receivables, trade payables, short term borrowings and other current financial assets and financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The management has assessed that the fair value of floating rate instruments approximate their carrying value.

52.2 Fair value Hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities. The mutual fund/alternative investment fund are valued using the quoted price/closing net asset value (NAV).

Level 2: Inputs other than quoted price/NAV included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2. The fair value of all debentures or bonds which are not actively traded in the stock exchanges is valued using the closing price or dealer quotations as at the reporting date. The valuation of unquoted equity share is valued using valuation techniques considering the observable market inputs. Derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the market place.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs). If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparty. The fair value of short-term financial assets and liabilities is considered to be approximately equal to its carrying value due to their short term nature. Costs of unquoted equity instruments has been considered as an appropriate estimate of fair value where most recent information to measure fair value is insufficient or if there is a wide range of possible fair value measurements.

52.3 Financial Risk Management

The Company has a risk management policy which covers risk associated with the financial assets and liabilities. The risk management policy is approved by the Directors. The different types of risk impacting the fair value of financial instruments are as below:

a) Credit Risk

The credit risk is the risk of financial loss arising from counter party failing to discharge an obligation. The credit risk is controlled by analysing credit limits and credit worthiness of customers on continuous basis to whom the credit has been granted, after obtaining necessary approvals for credit.

i) Trade Receivables

Customer credit risk is managed by the Company subject to Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and major customers are generally from government agencies and in respect of export debtors, terms of shipment is either cash against document or 100% advance against proof of shipments or backed by letter of credit / ECGC coverage. Thus, based on past trends, the Company does not foresee any losses in expected credit loss (ECL). The maximum exposure to credit risk at the reporting date is the carrying value of trade receivables disclosed in Note - 14.

ii) Financial instruments and cash deposit

Credit risk is limited as the Company generally invest in deposits with banks and in bonds of companies having high credit ratings assigned by international and domestic credit rating agencies. Investments primarily include investments in debentures or bonds, preference shares, real estate investment trust and alternative investment funds. Counterparty credit limits are reviewed by the Company periodically and the limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

b) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its financial obligations as they become due. The Company monitors its risk by determining its liquidity requirement in the short, medium and long term. This is done by drawing up cash forecast for short term and long term needs. The Company manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has arranged for diversified funding sources and adopted a policy of managing assets with liquidity monitoring future cash flow and liquidity on a regular basis. Surplus funds not immediately required are invested in certain mutual funds and fixed deposit which provide flexibility to liquidate. Besides, it generally has certain undrawn credit facilities which can be used as and when required, such credit facilities are reviewed at regular basis.

c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of following risk: interest rate risk, foreign currency risk, other price risk. Financial instruments affected by market risk include investments, trade receivable, borrowings and trade payable.

i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market interest rates.

The Company is exposed to risk due to interest rate fluctuation on its current borrowings with floating interest rate. Interest rate risk is determined by current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options, where considered necessary.

a) Exposure to interest rate risk

Note : Explanation for change in ratio by more than 25%

The variation in trade payables turnover ratio is due to improvement in payment cycle to vendors during the year.

^ The variation in net profit ratio is primarily on account of decline in other income from investments.

\$ The variation in return on investments is primarily on account of lower return on existing investments due to market volatility.

NOTICE (Contd..)

10. The Company is required to deduct tax at source while making payment of dividend as per the provisions of the Income Tax Act, 2025. Members are requested to submit their residential status, PAN and category to their respective depository participant(s) ("DP(s)") in case of shares held in dematerialised form and to the Company or to the Registrar and Share Transfer Agent, M/s Maheshwari Datamatics Private Limited ("**Registrar**"), in case of shares held in physical form by sending relevant documents on or before **Thursday, 30th July, 2026**. For more details, please refer to "**Communication on tax deduction on dividend**" annexed to this notice and also made available on Company's website: <https://www.cheviotgroup.com>.
11. Members holding the shares in dematerialised form are requested to intimate all changes or updates relating to their PAN, contact details, bank account details, registered address, e-mail ID, nomination, etc., to their respective DP(s), if they have not done so already.
12. The Securities and Exchange Board of India ("**SEBI**") has made it mandatory for the members holding shares in physical form to furnish PAN, contact details (Postal Address with PIN and Mobile Number), bank account details and specimen signature for their corresponding folio numbers. Folios without PAN and KYC details are uploaded on the website of the Company <https://www.cheviotgroup.com> under the TAB "**Communication to members holding shares in physical form**". Members, whose name appear in the list shall receive an intimation from the Company that dividend will be paid electronically upon furnishing required details. Members holding shares in physical form are requested to make their folios KYC compliant by submitting relevant forms (**ISR-1/ISR-2**) to Registrar by email at contact@mdplcorporate.com or by post or through 'In Person Verification' at Registrar office at 23, R. N. Mukherjee Road, 5th Floor, Kolkata – 700001. The forms are available for download on the websites of the Company (<https://www.cheviotgroup.com>) and Registrar (<https://www.mdpl.in/form>).
13. Pursuant to Regulation 40 of the SEBI Listing Regulations, requests for effecting transfer, transmission or transposition of shares shall be processed in dematerialised form only. Moreover, SEBI has mandated listed companies to issue the shares in dematerialised form only while processing the investor service requests such as issue of duplicate share certificate; claim from unclaimed suspense account; renewal/exchange of share certificate; endorsement; sub-division/splitting of share certificate; consolidation of share certificates/folios; transmission; transposition. Members holding shares in physical form are requested to consider dematerialising their shares to avail themselves of the benefits of dematerialisation and eliminate risks associated with physical share handling. Members are requested to submit **Form ISR-4** duly filled and signed along with the original share certificate(s), wherever applicable. Please note that service requests can be processed only after the physical folio is KYC compliant.
14. Unpaid/unclaimed dividend for the financial year ended 31st March, 2019 and the corresponding ordinary shares of the Company in respect of which dividend remain unpaid/unclaimed for seven consecutive years shall become due for transfer to the Investors Education and Protection Fund ("**IEPF**") during August, 2026. Members are requested to claim their dividend, details of which are available on the website of the Company (<https://www.cheviotgroup.com>), before transfer to IEPF. Members whose unclaimed dividend/shares have been transferred to IEPF, may claim the same from the IEPF Authority by filing **e-Form No. IEPF-5**, for which details are available on the IEPF website (<https://www.iepf.gov.in>). Claimants are advised to approach the Nodal Officer for issuance of entitlement letter, upon submission of required documents, before filing of claim(s) with the IEPF Authority. Mr. Aditya Banerjee, Company Secretary and Compliance Officer of the Company, is the Nodal Officer for the purpose of verification of IEPF claims.
15. Members, whose shares are lying in the unclaimed suspense account of the Company in dematerialised form as per list uploaded on the website of the Company (<https://www.cheviotgroup.com>), are requested to contact the Registrar by email at contact@mdplcorporate.com or by post at 23, R.N. COMMUNICATION ON TAX DEDUCTION ON DIVIDEND

Dear Member(s),

The Board of Directors of Cheviot Company Limited (the “**Company**”) at their meeting held on Thursday, 21st May, 2026, have recommended a final dividend of ₹ 25/- (Rupees twenty five only) per ordinary share on **58,41,875** ordinary shares of face value of ₹ 10/- each (**250%**), amounting to ₹ **14,60,46,875/-** (Rupees fourteen crores sixty lakhs forty-six thousand eight hundred seventy-five only) for the financial year ended 31st March, 2026, subject to approval of the members at the ensuing annual general meeting (AGM) of the Company convened to be held on **Thursday, 6th August, 2026**. Dividend, as recommended by the Board of Directors, if declared at the AGM, will be paid, subject to deduction of tax at source, on and from **Tuesday, 11th August, 2026** to those members, whose names shall appear in the Register of Members or in the Register of Beneficial Owners maintained by the depositories at the close of business hours on **Thursday, 30th July, 2026**, being the **Record Date** fixed for the purpose of dividend.

Pursuant to the provisions of Section 393 and other applicable provisions, if any, of the Income Tax Act, 2025 (“**IT Act**”), the Company is under an obligation to deduct tax at source (“**TDS**”) at the prescribed rates applicable to each category of members, wherever applicable, at the time of making the payment of dividend.

This communication provides a brief on the applicable TDS provisions under the IT Act for Resident and Non-Resident members and information/documents required from the members, whose name appear on the Record Date.

A. Resident Member(s):

1. No tax at source shall be deducted on dividend to resident individual member, if aggregate dividend does not exceed ₹**10,000/-** during the tax year 2026-27 and valid Permanent Account Number (“**PAN**”) is available.
2. In other cases, tax is required to be deducted at the rate of **10%** on dividend, where valid **PAN** is available. If **PAN** is not available/registered in the demat account/folio as on the Record Date, TDS would be deducted at the rate of **20%** as per Section 397 of the IT Act. In case resident individual member has not linked the Aadhar Number allotted with **PAN** in accordance with Section 262(6) of the IT Act read with Rule 162 of the Income-tax Rules, 2026 (“**IT Rules**”) before the Record Date, such **PAN** would be treated as inoperative **PAN** and tax will be deducted at **20%**. The Company will rely on the reports downloaded from the reporting portal of the income tax department for checking the validity of **PANs**/inoperative **PANs** under Section 397 of the IT Act.
3. No tax shall be deducted on dividend in cases where a resident individual member furnishes declaration in **Form 121** along with their valid **PAN** and fulfil the age or income criteria for furnishing **Form 121**. The format of **Form 121** is enclosed as **Annexure 1**. Please note that all the fields mentioned in **Form 121** are mandatory and the Company may reject an incomplete or ineligible form. Resident individual member holding shares in demat form can electronically submit **Form 121** through their depositories i.e. National Securities Depository Limited or Central Depository Services (India) Limited.
4. Further, tax on dividend shall be deducted at lower/nil rate mentioned in the certificate issued under Section 395 of the IT Act by the income-tax authorities for the tax year 2026-27 and submitted by the resident member before the Record Date, till its validity.
5. Tax shall not be deducted from dividend to the Government, Reserve Bank of India, corporation established by or under a Central Act which is, under any law in force, exempt from income-tax on its income or a Mutual Fund as specified at Schedule VII (Table: Sl. No. 20 or 21) by way of dividend in respect of securities or shares owned by it or in which it has full beneficial interest in compliance with Section 393(5) of the IT Act.
6. Any resident member to whom the provisions of Section 393(1) of the IT Act are not attracted in respect of payment of dividend referred to in Section 393(1) (Table: Sl. No. 7) such as LIC, GIC, Business Trust (REIT, InVIT), Category I and II AIF registered with Securities and Exchange Board of India, National Pension System Trust or any other entity/organisation/institution, is required to furnish self-declaration in the format given in **Annexure 2**, along with adequate documentary evidence (e.g., registration certificate) with valid **PAN** before the Record Date to avoid deduction of tax at source.

COMMUNICATION ON TAX DEDUCTION ON DIVIDEND (Contd..)

B. For Non-resident Member(s):

1. Tax on dividend shall be deducted at the rate of **20%** (plus applicable surcharge and cess) under Section 393 read with Section 207 of the IT Act in case of non-resident members including Foreign Institutional Investors (FIIs)/Foreign Portfolio Investors (FPIs), except in certain categories.
2. Tax on dividend shall be deducted at the rate of **10%** (plus applicable surcharge and cess) u/s 393(2) of the IT Act in case of Category III Alternative Investment Fund located in International Financial Services Centre and Category I Foreign Portfolio Investors (FPIs), on furnishing valid registration certificate before the Record Date.
3. Tax on dividend shall be deducted at the rate of **30%** in case of non-resident members who are tax residents of notified jurisdictional area as defined under Section 176 of the IT Act.
4. Further, tax on dividend shall be deducted at lower/nil rate mentioned in the certificate issued under Section 395 of the IT Act by the income-tax authorities for the tax year 2026-27 and submitted by a non-resident member before the Record Date, till its validity.
5. The non-resident member(s) has the option to be governed by the provisions of Section 159 of the IT Act if they are more beneficial to them. The non-resident member(s) may avail double taxation relief in terms of agreement entered between India and the country of tax residence of the member on furnishing the following:
 - a) Self-attested copy of PAN. In case PAN is not available, provide information and documents as mentioned in Rule 217 of the IT Rules;
 - b) Self-attested copy of valid Tax Residency Certificate (TRC) (for the tax year 1st April, 2026 to 31st March, 2027) obtained from the tax authorities of the country of which the member is a resident;
 - c) Electronically generated **Form 41** from Income Tax portal (for the tax year 1st April, 2026 to 31st March, 2027);
 - d) Self-declaration on letterhead of having no Permanent Establishment in India, beneficial ownership of shares and eligibility to claim treaty benefits as per **Annexure 3**; and
 - e) In case of Foreign Institutional Investors and Foreign Portfolio Investors, copy of registration certificate issued by the Securities and Exchange Board of India.

Please note that the application of tax treaty rate on dividend shall be subject to completeness and satisfactory review by the Company, of the documents submitted by the non-resident member(s).

6. Non-resident member(s) may furnish a declaration with valid documents regarding fulfilment of prescribed conditions specified under Schedule V (Table: Sl. No. 7) under Section 11 of the IT Act for the tax year 2026-27 for nil deduction on payment of dividend before the Record Date.

C. Submission of documents and other matters:

1. The documents such as valid PAN/Form 121/Self-declaration/documentary evidence etc. are required to be submitted, duly completed and signed, to the Registrar and Share Transfer Agent, M/s Maheshwari Datamatics Private Limited ("**Registrar**") by email at contact@mdplcorporate.com or by post or through 'In Person Verification' at the Registrar office at 23, R. N. Mukherjee Road, 5th Floor, Kolkata – 700001 on or before the Record Date.
2. Depositories have enabled mechanism for electronic submission of Form 121 - Part A for resident members holding shares in dematerialised form. In such cases, there is no requirement to submit the form separately to the Company or Registrar.
3. Members, who are eligible to obtain Aadhaar, are required to link their PAN with Aadhaar to keep their PAN operative.

COMMUNICATION ON TAX DEDUCTION ON DIVIDEND (Contd..)

4. Please update/verify your PAN and the residential status as per IT Act, if not done so already, with your respective Depository Participant(s) (in case of shares held in dematerialised form) or with the Registrar (in case of shares held in physical form) on or before the Record Date.
5. TDS will be calculated based on details of first holder/registered member/beneficial owner only as appearing on Record Date. Once tax is deducted, no transfer of such TDS in the name of another person shall be entertained under any circumstances.
6. Members, who wish to obtain certificate for lower/NIL TDS deduction under Section 395 of the IT Act on dividend, may approach the Company by email at investorservices@chevjute.com to obtain the TAN/PAN of the Company.
7. TDS certificate will be sent to the members' registered email address in due course after payment of dividend and filing of TDS Return. Members will also be able to view the TDS details in **Form 168** (erstwhile Form 26AS) from their e-filing account at <https://eportal.incometax.gov.in/iec/foservices/#/login> where valid PAN is available.
8. Pursuant to Section 390 of the IT Act read with Rule 203 of the IT Rules, in case, the dividend income is assessable to tax in the hands of a person other than the registered member as on the Record Date, the registered member is required to furnish a declaration containing the name, address, PAN of the other person to whom TDS credit is to be given and reasons for giving credit to such person on or before the Record Date. No request in this regard will be accepted by the Company after the said Record Date.
9. TDS on dividend in respect of ordinary shares of the Company, which have been transferred to Investor Education and Protection Fund ('IEPF') in terms of Section 124(6) of the Companies Act, 2013 and Rules framed thereunder or lying in the unclaimed demat suspense account shall be determined on the basis of the shareholding of respective members entitled to those shares.
10. In case of incomplete or conflicting information, or the valid information/documents not being provided, the Company will arrange to deduct tax at the maximum applicable rate. In case TDS is deducted at a higher rate, an option is still available with the members to file the return of income and claim an appropriate refund, if eligible. Once tax is deducted and deposited, no claim shall lie against the Company in relation to TDS.
11. In the event of any income tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided/to be provided by the member(s), such member(s) will be responsible to indemnify the Company and also, provide the Company with all valid information/documents and co-operation in the course of such tax proceedings.

Members are requested to register/update their Bank account details to receive dividend directly in their bank account through Electronic Mode in a timely manner.

Shares held in physical form: Member(s) holding shares in physical form are requested to **submit** the following details/documents to the Registrar:

- a) **Form ISR-1** along with supporting documents. The said form is available for download on the websites of the Company (<https://www.cheviotgroup.com>) and Registrar (<https://www.mdpl.in/form>).
- b) Cancelled cheque in original having bank account number, bank name and branch, MICR code, IFSC, etc. and bearing the name of the member or first holder, in case shares are held jointly. In case name of the holder is not available on the cheque, kindly submit the cancelled cheque in original alongwith Bank attested legible copy of the first page of the Bank Passbook/Bank Statement bearing the names of the account holders, address, same bank account number and type as on the cheque leaf and full address of the bank branch.
- c) Self-attested copy of the PAN Card of all the holders; and
- d) Self-attested copy of any document (such as Aadhaar Card, Driving License, Election Identity Card, Passport) in support of the address of the first holder as registered with the Company.

COMMUNICATION ON TAX DEDUCTION ON DIVIDEND (Contd..)

Further, member(s) holding shares in physical form, whose folio(s) do not have PAN, contact details, bank account details or specimen signature updated, shall be eligible to receive dividend **only through electronic mode**, after furnishing of PAN and KYC details to the Registrar. An intimation shall be sent to the registered address of such member(s) whose folio is incomplete, informing that dividend is due and shall be made electronically only upon furnishing of PAN and KYC details to the Registrar.

Physical folios without PAN, KYC details and Nomination are uploaded on the website of the Company <https://www.cheviotgroup.com> under the TAB **"Communication to members holding shares in physical form"**. The Company will not withhold dividend pay-out in absence of only nomination in existing folios. However, members are encouraged in their own interest, to provide choice of nomination. Members holding shares in physical form are requested to make their folios KYC compliant by submitting relevant form (ISR-1/ISR-2/ISR-3/SH-13/SH-14) to the Registrar by email at contact@mdplcorporate.com or by post or through 'In Person Verification' at 23, R. N. Mukherjee Road, 5th Floor, Kolkata – 700001. The forms are available for download on the websites of the Company (<https://www.cheviotgroup.com>) and Registrar (<https://www.mdpl.in/form>).

Shares held in demat form: Members holding shares in demat form may note that their bank account details as recorded with their respective Depository Participant(s) will be considered for remittance of dividend and the Company will not be able to accede to any direct request from such members for change/addition/deletion in such bank account details. Accordingly, members holding shares in demat form are requested to ensure that their Bank details are updated with their respective Depository Participant(s).
